

K N O W ?

- POP Orchestra musicians represent eight different communities: Colby, Goodland, Oakley, Hoxie, Grinnell, Weskan, Atwood & Burlington, CO.
- For rehearsal each Monday evening, musicians drive a collective total of about 1095 miles - it would be more if not for carpooling!
- Nine musician members have been or currently are music educators.
- Ten musicians have each been playing with the orchestra for over 10 years.
- One musician member has played with the orchestra since it's inaugural year.
- The majority of musician members play more than one instrument.
- There's always room for more musicians! Join us each Monday evening, CCC Band Room, 7:30 - 9:00 p.m. (cst)

PRIDE OF THE PRAIRIE ORCHESTRA

that we have lost a major funding source, (grant programs through the Kansas Arts Commission) due to state funding changes, but, as they say, "the show will go on!"

Pride of the Prairie Orchestra is happy to celebrate over 30 years of music featuring our own musicians from Northwest Kansas and Northeast Colorado. Started under the able baton of Colby's Bill Beck, the orchestra has continued to be a cultural outlet for musicians young and old and their audiences.

Won't you please consider becoming a partner with POP? Your tax deductible gift will continue to provide the resources needed to insure the longevity of this wonderful music program.
